Exceptionally, leave of absence may be granted for 1 semester at most.

**Semester 1: November to February; Semester 2: March to June*

Goals and content

The aim of the course is to make quartets aware of the requirements of the genre, through a progressive approach confronting students with the specific challenges of quartet repertoire. The course will be taught jointly by 3 teachers, enabling students to hone their quartet technique and explore a broad repertoire, which may include premiere performances of contemporary works.

Quartets will be called upon to give public performances.

Diploma

The diploma will be awarded following an examination scheduled during an examination session.

The exam will consist of a 30-minute programme performed in concert format.

Furthermore, the members of the quartet will write programme notes for the concert, explaining how the chosen repertoire relates to the goals outlined at the beginning of the course.

The jury will be composed of the Director of the Conservatoire or his deputy, as well as two invited members (conductors, choral directors, composers, opera house directors, etc.)

Diploma title: Specialization diploma, Strasbourg Conservatoire (string quartet).
